Do you agree or disagree with the land use proposals for Pines Beach? *Disagree.*

Are there other land use options for these areas that you think should be further considered? *Concerned*

Pines would become untidy if past landowners came & dumped "stuff" they didn't want on their own property. Pines looks just perfect the way it is. Use land for BMX track, adventure playground, native tree planting. picnic areas

Do you agree or disagree with the land use proposals for Kairaki? *disagree*

Are there other land use options for these areas that you think should be further considered? *For same reasons as Pines. concerned people would use it to store unwanted belongings eg wood cars, & the likes. Would become unsightly. plant native trees, picnic areas would be so much nicer. looks fine the way it is.*
