

In the Matter of Canterbury Earthquake Recovery  
Act 2011

and

In the Matter of The hearing of comments on the  
Preliminary Draft Waimakariri Red  
Zone Recovery Plan

Third Minute in response to Joint Memorandum from the Crown and Waimakariri District  
Council Core Project Team in response to Second Minute of Hearings Panel.

Dated 5 May 2016

1. The Crown and the Waimakariri District Council and Core Project Team (CPT) have responded to our Second Minute, by way of a joint memorandum, on 22 April 2016.
2. We have considered the joint memorandum and record that the explanations provided address the issues we had raised in our Second Minute. We direct that the hearing should remain adjourned until the receipt of the additional information that the Crown and CPT say is to be prepared by 31 May 2016.
3. Once we have received the additional information we will consider whether it is necessary to reconvene the hearing for questions on that additional material, or whether we can close the hearing and complete our report to the Waimakariri District Council.
